JOSEPH R. SMULSKY D.D.S.
ARTISTIC DENTISTRY

Welcome

We are a team of dedicated dental professionals that are committed to providing industry-leading, personalized care in a relaxing, positive environment. As specialists in cosmetic dentistry and periodontal disease therapy, we are committed to improving the lives of our patients "one smile at a time".

"When love and skill work together, expect a masterpiece."

- John Ruskin

Who We Are

Patient Education

We are committed to educating each patient about their dental needs. Simply put, the more you know about your dental procedures, the more comfortable you are with them. After a thorough evaluation, we will jointly determine the appropriate treatment plan.

Prevention

Prevention is the key to the long-term health of your teeth and gums. Regularly scheduled dental exams are critical to the prevention of dental disease and are necessary to maintaining optimum health. In addition, appropriate home care is essential.

Uncompromising Safety Practices

Our team takes patient safety very seriously. Because safety is of the utmost importance, our office adheres to all OSHA safety requirements for instrument sterilization and office sanitation.

Referrals

Patient referrals are the best compliment. We strive to provide you with best-in-class, personalized care in a comfortable, patient-friendly environment. If you agree that we have reached our goal, please consider referring us to family and friends.

Appointments

We have reserved your scheduled appointment time just for you. We kindly request a 24-hour notice if you need to cancel an appointment. In case of an emergency, please call the office as soon as you feel discomfort.

Financing/Insurance

Our office is well versed in dental insurance policies and is committed to helping you maximize your insurance benefits. Please note, account balances are due when services are rendered. For your convenience, we accept Visa, MasterCard, Discover and American Express.

Medical History

Please keep us informed of any changes in your medical history. The current status of your health is very important to the way in which we provide your dental care.
